

CARNAVAN is the name of the program tomorrow evening to be put on at the Campbell Grammar school under auspices of the PTA. It is a fund raising program which progresses from room to room in a series of pleasant surprises. Some of the key workers are, left to right above: Mrs. Walter Kehrl in charge of prizes, Mrs. Frank Cope the general chairman, Mrs. Alta Owens in charge of posters, Mrs. Hugh Finley in charge of dinner arrangements and Mrs. George VanSickle, the assistant chairman.

Council Candidates To Appear At Public Forum Tues. April 6 At High School Little Theatre

Local voters will have a chance to see and hear candidates for Campbell city council in the elections April 13, at a public forum to be conducted by the Campbell Junior Chamber of Commerce, Tuesday evening, April 6, at 8 p. m. in the Little Theater of Campbell Union High School. Don Gracier, president of the Jaycees, will act as moderator of the forum at which eleven candidates will be allowed ten minute talks to introduce themselves to the voting audience.

One hour of the two hour program will be allotted for questions from the audience.

Mayor Richard Morton, incumbent; James B. Arends Jr., incumbent; John M. Chargin, chairman of the city planning commission; Joseph A. Feasel, Sr., factory superintendent; Gordon Daum, salesman; E. A. Garrison, building contractor; Ray Gilpatrick, carpenter; Charles Rose, grocer; Claude Smith, real estate agent; Verle Grizzle, jeweler; and Carolyn Coons, schoolteacher; as well as Dorothy Trevethan, city clerk, Ed C. Merrill, city treasurer, will be invited to appear at the forum.

Campbell C of C To Name Officers

President Verle Grizzle of the Campbell Chamber of Commerce has named William Enochs, Dave Ribble and Robert Silegson as a nominating committee to select a slate of officers for the 1954-55 term. Enochs, committee chairman, said today he hoped to have the report ready next week so that the election can be held and work started on a well rounded program of activities. Don C. Prindle is executive secretary and F. Ed Laney, business manager.

John Chargin Is Council Candidate

In submitting my name to the electorate of the City of Campbell as a candidate for City Council, I

JOHN M. CHARGIN

pledge myself, if elected, to the service of the entire community, and not to any special interest therein.

I have already served Campbell for more than a year on the City's first planning commission, and for the greater part of that time as its chairman. I believe that Campbell must continue to progress and keep pace with the growth of the West side of the Valley. Our development as a city must be orderly, economical and farsighted, to the end that the City of Campbell may take its rightful place among the leaders in Bay Area cities of its size.

GRID HIGHLIGHTS SHOWN ROTARY BY BILLY WILSON

Ladies of the Campbell Methodist Church, who normally prepare luncheon for 40 Campbell Rotarians at their weekly meetings, Monday rose to a different occasion and served a bountiful meal to 60 regular members and guests who flocked to the Countrywomen's clubhouse to see "Highlights of the San Francisco 49ers 1953 football season" motion pictures shown by Billy Wilson, 49er end and former Campbell High grid great.

George Miskulin, director of athletics at Campbell High, as chairman of the day, arranged the program. Movie and sound equipment were handled by Rotarian Al Smith, through the courtesy of the High School.

Rotarians were urged, during the business portion of the program to volunteer for the traffic survey to be held in Campbell April 2. Plans are also being made to attend the championship basketball awards dinner at Campbell High on the evening of April 30th.

This event is being co-sponsored by the local Lions, Kiwanis and Rotary clubs with the Campbell High School Dads club as hosts.

Monday's program was arranged by program committee Mario Saia, Cel Gerevas, Bob Wade, Ben Strong, Merv Willoughby and

Planner Sees Big Growth Ahead

City Ready To Process Shopping Center Plans

The city council followed through on Monday evening with a series of actions destined to have important bearings on civic improvement by strengthening the foundation for future development. Among actions taken were: 1—Accepted bid of Van Pelt Co. of Oakdale for a new fire truck to cost \$12,339.

2. Signed an agreement with the State division of Highways approving plans for the four lane interchange at Hamilton avenue and the new freeway, indicating that Hamilton avenue may be widened to 120 feet.

3. Approved a contract with Santa Clara County Sanitation District No. 4 setting tentative rates for services.

4. Called bids for improving certain street areas set up in a priority list.

5. Let the door open for applicants seeking rezoning to set up two shopping centers by re-submitting applications to the planning commission for processing and for the council's favorable consideration.

6. Closed the hearing on the tentative masterplan for streets and highways setting next Monday for submission to vote.

7. Heard planning consultant report that Campbell priming area will have a 45,000 potential population with the completion of the new freeway, this being the nearest interchange to the vast industrial system being set up to the north and east of El Camino Real.

City attorney Joseph Bonacina is to report on a proposed change in the zoning ordinance due to state legislative action. A letter from Frank H. Thill, county executive for a listing of all parks and playgrounds in this area including school facilities, was referred to the planning commission.

Planning Consultant Barrett, explaining procedure in approving master plans for streets and highways, advocated generalized plans indicating policy rather than a precise plan which would set definite widths for all streets. It was in this discussion that he said the priming area of Campbell to its likely expandable limits would in time provide a 45,000 potential population. He based this on developments in similar areas in Southern California where a buffer of big industry was set up and a freeway fed workers to the first interchange. He said this is "inescapable".

The priming area is within the approximate limits of San Tomas Aquina Creek, Downing Avenue, Leigh Avenue, and Camden avenue and Dry Creek Road. The plan will be submitted to vote next Monday.

FUN FEST PROMISED AT ANNUAL CAMPBELL CARNAVAN TOMORROW

A fun fest for the family was promised today by members of the Campbell PTA committee putting the finishing touches on arrangements for the annual Campbell Carnavan to be held tomorrow evening at the school. A fund raising event it features entertainment for any member of the family from 5 to 9:30.

RED CROSS DRIVE NEAR GOAL; TOTAL TO DATE: \$3339.85

Campbell area American Red Cross Drive, under the general chairmanship of Neal Royer, principal of Rosemary School, has to date collected \$3339.85 towards a previously set goal of \$4500.

Persons who have not had an opportunity to contribute are urged to mail contributions into the drive office at 273 Campbell avenue or to phone Franklin 8-0580. Royer said the drive office will remain open through Wednesday, March 31.

Cambrian area, \$448.22; Cherry Lane area, \$433.47; Cypress area, \$120.40; Hamilton area, \$424.15; Moreland area, \$143.95; Moorpark area, \$181.25; Rosemary area, \$363.46; San Tomas area, \$155.79; Campbell business, \$790.35; Campbell High School faculty, \$93.91; Campbell Grammar School faculty, \$36.00; Campbell Union School Superintendent's office, \$31.50; Service Clubs and organizations, \$60.00. Miscellaneous gifts amounted to \$58.40 for a total to date of \$3339.85.

There were four bids for the fire truck contract, but one of them was rejected because it was for second hand equipment and not according to specifications. Van Pelt bid \$12,339, Coast Fire Apparatus bid \$12,543.51 and Valley Equipment bid \$12,667.56. It will be about 90 days before the equipment is delivered here by Van Pelt.

William C. Henley requested rezoning his property on the West side of Winchester south of Mission Way from R2-S to R3-S. His nonconforming use permit was issued because work had been started prior to incorporation. Favorable council action will bring the property into proper zoning and Henley can proceed with building under architect planning.

Mayor Richard Morton asked Barrett what happened to applications for two shopping centers which were to have come before the planners after the master map was approved. Mayfair Packing Company and H. Y. Rice had been told to resubmit applications for favorable consideration by the council after being processed by the planners. Barrett said neither had submitted an application or plans. The million dollar Rice project at Hamilton and Winchester Roads had been planned for a super market, medical center, dry goods store and other shop facilities, while the Kuehnis property at Hamilton and Loc Gatos-San Jose Road, called for 113,000 square feet of store spaces to include a bank, a market and possibly a major department store, once mentioned as Emporium-Capwell of San Francisco.

Mark Thomas, city engineer presented plans for seal coating and repair of city streets and council issued call for bids to be opened April 12.

Council approved the contract presented by County Sanitation District No. 4. By resolution the council also approved the agreement with the state for the freeway. Mayor Morton explained the city and state were in accord with a four lane and two pedestrian lane span over Campbell avenue and a four lane overhead interchange at Hamilton avenue.

Because there will be a new council in five weeks, action was deferred on proposed membership in the inter-city council looking to the common welfare of Santa Clara County municipalities.

New Building Requests Come To Planners

Applications for use permits to build a gas station, a one-story addition to a nursing home, a stand for selling cherries, and for two two-bedroom dwellings, were among new matters to come before the Campbell Planning Commission meeting, Thursday evening at Campbell Fire House.

The commission set April 15 as the date for a public hearing on the application of Peter J. Parlato, of 518 South Second street, to use the property at the northeast corner of Winchester Road and Hamilton avenue for a gas station installation and operation. The property is now zoned C-1-S.

Nestor Barrett, planning consultant and city attorney Joseph A. Bonacina, are to give a report to the commission at a later meeting, concerning Mrs. Stella Cane's application for a use permit to build a one-story concrete block addition to her nursing home at 230 Winchester Road.

Representatives of Mayfair Packing Company were informed they could not operate a cherry stand at the corner of Hamilton avenue and the San Jose-Los Gatos highway to sell fruit of the Mayfair ranches for the entire cherry season, as they requested in an application for a use permit to the Campbell commission. The firm was informed they could not operate the stand unless they applied for a change of zone for the property. Commission voted to return the \$15 filing fee which accompanied the application.

Public hearing was also set for April 15, at 7:30 p. m. at the Fire House, 41 North Central avenue on the application of Neal M. Stone, of 1588 Keesling avenue to build two, two bedroom dwellings on rear of property at 25 South Winchester road, owned by Sam and Sebastiana Carlettine. Property is presently zoned C-2.

April 15 is also the date for a public hearing on the application of R. B. Thompson, of 1040 Munro avenue to build a duplex on the front portion of property at 129 Central avenue.

Public hearing was closed Thursday and a change of zone was granted to Ralph E. Weaver, of 1092 Minnesota avenue for a change of zone for property in Hamilton square subdivision Units one and two, from R-1 (residential) to R-2 (duplex).

A petition from J. Leonard Garrison of 351 Maplewood avenue, San Jose and from Dale W. Austin, of 14244 Lora Drive, Los Gatos, protesting the Weaver request for a change of zone in Hamilton square, was received by the commission. They were informed by letter that since the public hearing had been closed by the planning commission they should appear before the public hearing which the city council will hold on this matter at a later date.

No objection, either written or oral were received at the meeting Thursday, and the commission adopted a change of text of the city zoning ordinance.

The Planning Commission has no legal authority to recommend, nor does the city council have authority to change the zoning map and ordinance to a different classification than that which was applied for, and for which notice was given, city attorney Bonacina ruled at the meeting Thursday in answer to a letter from commissioner Homer H. Hyde.

Dinner is to be served from 5:30 to 7 with a choice of two entrees served smorgasbord style. Families and children are invited as there will also be a child's plate. Arranging the affair are Mr. and Mrs. Frank Cope and Mr. and Mrs. George Vaan Sickle assisted by committee members, Mrs. Edwin Miller, treasurer; Mrs. Walter Kehrl, prizes; Mrs. Edwin Gans, food; Mrs. Jean McAfee, tickets; Mrs. Hugh Finley, dinners; Mrs. A. C. Borden, publicity and Mrs. Duane Beaubien, vice-principal, in charge of booths.

James B. Arends Jr., city councilman and owner of Campbell Lumber Company, has been in Cincinnati, Ohio, this past week, but is expected to return by Monday. Arends left to visit his mother and father in law, who have been reported in ill health.

NINETEEN CLASSROOMS for the Cambrian district branch of the Campbell High School are now planned instead of 12 as previously announced. This will take care of some 700 students when the first unit is completed by Fall of 1955. Plans were changed so that the

Assign 250 Here Today To Make Traffic Survey

Members of three service clubs of Campbell and 200 high school students will be among those conducting the traffic survey Friday, April 2nd, according to committee chairmen. A progress meeting of the general committee is being held at noon today at the Virginian restaurant, to complete plans. Homer Hyde, secretary of the planning commission is general chairman of the citizens' Committee on the traffic survey.

Girl Drowns In Swimming Pool Here

Naomi Nakatsu, 14-year old Campbell Union High School freshman, only daughter of Mr. and Mrs. Itura Nakatsu, of 12585 Saratoga Avenue, Saratoga, was the victim of a fatal swimming accident yesterday afternoon in the Campbell Union High School swimming pool during a freshman swimming class.

She was pronounced dead on arrival at O'Connor Hospital at approximately 3:06 p. m. after oxygen and artificial respiration applied by High School physician Dr. Robert M. Wade, Campbell firemen, and San Jose ambulance attendants had failed to revive her.

According to Laurance J. Hill, superintendent of the High School district and principal of the school, Miss Nakatsu was discovered at the bottom of the pool by instructor Jeanene Lathrop when she failed to surface after a dive from the side of the pool. She was immediately brought to the edge of the pool by Miss Lathrop and school authorities notified.

Hill said she had only been in the water a few minutes. Campbell police reported arrival of the doctor and respirator equipment at 2:28 p. m.

Miss Lathrop said it was the girl's first year in swimming. The class started yesterday afternoon and 20 students had been receiving routine instruction in diving from the edge of the pool and swimming to the other side. On one of the dives, Miss Nakatsu failed to surface. She was found at the ten-foot depth.

Immediate surviving relatives include her parents Mr. and Mrs. Itura Nakatsu and four brothers, James, Herbert, Kenneth and Richard.

DOUBLE STAMP DAY IS TODAY FOR SHOPPERS

Today is double stamp day in Campbell with merchant members of the stamp association giving extra bonus stamps for purchases. Tomorrow will be the monthly drawing for five prizes, as follows:

\$25 merchandise order good at any merchant member's store; four complete dinners at the Virginian; four top sirloin dinners at Villa Felice and scrip book of fifteen admission tickets to the Red Sox games, and 25 gallons of gasoline.

Union School hardball team started their first practice session last Saturday in preparation for their first game Saturday March 27 with Burbank School at Burbank.

A pre-count has already been made on the six road stops so that the 200 students from the driver education and U. S. History classes at Campbell High School, will know the extent of traffic and be able to have enough workers on hand so that motorists will not be delayed for more than ten seconds per interview. Jules Langlo and George Kemp of the high school faculty directed the pre-count over seven minute periods at each of the six locations: 1—Winchester and Rosemary, 2—Central and Hamilton, 3—Hamilton west of San Tomas Road, 4—Campbell and Union, 5—Campbell avenue by the Grammar School, and 6—Winchester and Budd avenues.

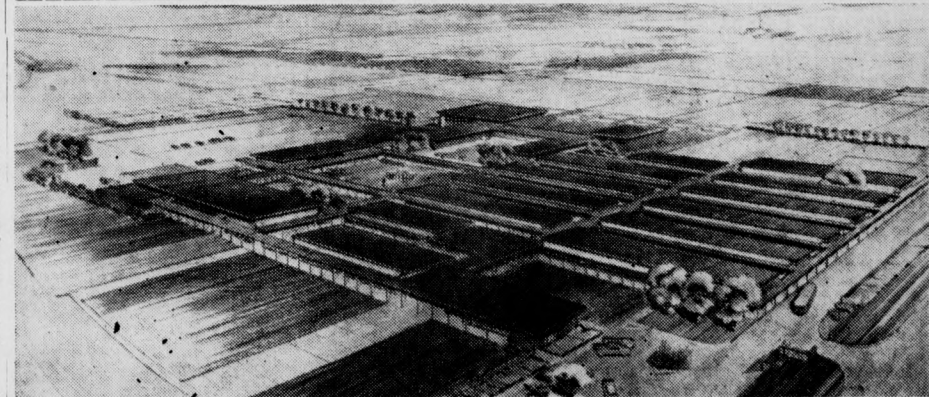

At the High School assignments are to be made today. Each student is to serve a two hour period. The survey starts at 6 a. m. and ends at 10 p. m. Guy Farley is chairman of the downtown parking survey being conducted by the Lions, Kiwanis and Rotary clubs of Campbell. T. R. Solari, member of the Campbell Planning Commission is lining up a group to assist in the parking survey in the fourth parking area included in the survey.

BUY MY COOKIES This little girl said with her eyes and smile on entering the Campbell Press office. She is Mary Frances Davis, age 7 1/2 of Brownie Troop 270 who resides with her parents at 285 Central Avenue. She couldn't say much about the cookies being sold by the girl scouts, but her smile won everyone's heart and helped fill the cash pouch dangling between the cookie boxes.

Cherry Lane School Party Nets \$100

More than 100 people attended the Cherry Lane Home and School Club party last Friday evening in the new schoolhouse when \$160 was cleared, which sum is to be used for the purchase of a backstop for the baseball diamond. Groups played canasta, whist and bridge. Homemade cakes, all donated, were readily sold. Mrs. Ralph Weymouth was chairman.

TOMORROW'S CHILDREN IN CAMPBELL

Planning Consultant Nestor Barrett, trained to see and anticipate land developments, explained to the city council on Monday that Campbell is right in the middle of what he considers a major home-building area in the next ten years or so. He said that in the priming area which is bounded by San Tomas Aquina creek to the west, Leigh avenue to the east, Camden to Sunnyoaks avenue to the south and Downing avenue to the north, there is a potential 45,000 population and the possible flexibility of our boundary lines.

That is about five times the present population of Campbell. Why this sudden growth?

Barrett sees the industrial line forming north of El Camino Real with Ford Motor Company, Western Pacific, Sylvania Electric and many other firms with big employment. He has seen what has happened elsewhere under similar development when a freeway became a feeder. Hamilton avenue in Campbell will be the first interchange after Stevens Creek Road where most of these workers will first enter the freeway as motorists. Some will go further toward the hills but not far, and some will go to the east bay, but not many. The big development will be in this priming area of Campbell. Barrett says it is inescapable.

There now, you have it. Not our fond and most optimistic view of the future, but the studied report to us by an expert.

Don't sell Campbell short, for it is soon to grow and become one of the important cities of the bay area. Put your shoulder to the wheel of progress and get the feel of this growth. Our wagon, you see, is hitched to a star, so hang on!

PATTERN FOR NEW DEVELOPMENTS

One week from tomorrow the Campbell traffic survey will be under way as part of a master plan to guide the growth and development of Campbell. Public spirited citizens and students will conduct the survey, first as an origin and destination survey and secondly as a downtown parking survey.

When tabulated, the results will indicate with considerable accuracy the trading area for the city and the potential size the business area is to serve. Value of the survey is to enable the city to set up a plan suitable to needs and desires of local conditions. It is to implement the council and the planners in their task to build Campbell into a prosperous, well rounded, orderly, safe and pleasant city of homes and culture.

The fact-finding group meeting tomorrow to complete plans for the survey are aware, too, of the traffic growth on the north-south highways. In a 16-hour count some 32,000 cars pass over these two through roads daily, and when the new freeway is built this traffic pattern may change. The council and the planning commission have undertaken a worthwhile project, but it is the willingness and enthusiasm of the civic organizations and schools in carrying out the survey plans, which will achieve the desired results.

DOPE WAR

Tougher sentences for dope peddlers with no probation for first offenders would certainly be a logical step toward more effective control of the rapidly growing narcotics traffic. It hardly need be said that dope pushers are no ordinary criminals. They cannot be treated like ordinary criminals. The profits in the dope trade are so fantastic that it will take a mighty strong deterrent to discourage this business even in small degree. Some people have even suggested the death penalty for peddlers — a penalty not much out of line with the crime when it is realized that 98 percent of the heroin addicts never recover. The dealer in dope is a dealer in death. He doesn't deserve a break.

SPRING IS HERE

Last Saturday evening the ever-popular Miss Spring arrived here for her annual visit. And, as usual, Old Man Winter, who has never taken kindly to her, packed his bags and left, grumbling about the fact that she always follows him wherever he goes. Miss Spring said she was disappointed that O.M.W. had left such a mess, but she promised that it would be cleaned up as soon as possible. She explained, however, that it always takes a while to give the place that "gentle touch" of a woman, especially after a gruff old man has been knocking around the premises for months. Before she leaves in June we may be sure that everything will be lovely. Lovely gal, that Miss Spring.

INDUSTRIAL SITES

Industrial lands must be held to meet future industrial needs in spite of the present pressure for residential lands, if the bay area is to have a balanced economy, according to Ronald Campbell, planning consultant for San Mateo County. Campbell contends that industrial development follows population growth, but feels that industrial restrictions should be comparable to residential restrictions if it is to be preserved for proper use.

FROM CANNERY TO SHOPPING CENTER

The Hunt Cannery buildings in Los Gatos were bought recently by San Mateo County investors for a quarter of a million dollars. Buildings had 80,000 square feet and yard space of 60,000 square feet. It is used as a warehouse now, but the new owners plan to make of it a centrally located shopping center.

NO ONE Appeared to vote at the June 6, 1891 election for the San Tomas school district so the county superintendent appointed H. Carrell, W. Ross and T. F. Kerr as the school trustees for that year. Kerr later being named clerk of the board and Miss H. M. Rich named to teach at \$60 per month. January 16, 1892, a meeting held to consider a school bond election. A Vollmer was named meeting chairman who reported M. Cameron offered 1 1/2 acre site at \$800 per acre provided the district issue bonds for the improvements so a \$6000 bond issue was voted but lost so the trustees were told to canvass the district to determine the amount of the bond issue, then on April 8, 1893 a \$5000 bond election was held the result being 18 for bonds and 21 against them, the election board being Hiram Hutton, Frank E. Mitchell and P. S. Langford. One month later there was a school picnic at Congress Springs and "all seemed to enjoy it." Robert Loosemore was teacher on September 18, 1893 when the school opened with 25 enrolled and owing to increased attendance five new desks were bought at a cost of \$33, attendance now 37. In February 1894 board studied whether to issue \$4000 bonds for lot and house, to issue \$3000 to build house on present school site or levy direct tax of \$3000 to build on present location and by 9 to 8 voted to issue \$3000 at 7% for three years to build on new lot to be purchased. April 28, 1894 being the time and Mathew Howell, J. K. Chandler and F. D. Ballard the election board notices were posted and published in the San Jose Weekly Mercury, the election being at the school house on the Quito road in San Tomas. minute book failed to report outcome of election but stated at end of term the school picnic was held at Azule Springs. the January 4, 1897 notation that \$76.03 remained in the school bond fund was to be returned to the district, this being concluding notation in the minutes book owned today by W. H. Chandler of 1078 Vale avenue.

SPRING IN SANTA CLARA VALLEY

Shouting from the hill-tops
Singing from the hills,
Spring has come a-dancing
Down the greening hills.

A tiny flower in hiding
Raised her starry head,
When she heard the music
Of Spring's rhythmic tread.

A dainty little fern frond,
Reached forth a tiny hand,
In welcome to the springtime,
Breathing o'er the land.

Lark in the sky, a-singing
Sweetest music ever heard,
Never was a concert
Like that little bird.

All of Nature's children
Join to sing of Spring,
A peon of Thanksgiving,
Let the joy bells ring!

LETTERS TO THE EDITOR

Opinions expressed in letters to this department do not necessarily reflect the editorial policy of this paper.

Editor, The Campbell Press
Campbell became a city approximately two years ago. At that time we elected five councilmen to serve for a two year period. The time is now near when we must select five men to serve the community and carry on the excellent job so far done. Of the five incumbents, three have decided, for various reasons, not to run for re-election.

Two—Mayor Richard Morton and Councilman James B. Arends—both at first very reluctant to run, were finally persuaded by their friends to permit their names to appear on the ballot and it is in their behalf that this letter is written.

There are many fine candidates seeking the office, but not to re-elect these two, would, in my opinion, be very unwise. We need their experience and fine judgement to continue to assist in working out the many problems confronting any city and especially a new one. There is no question as to their capabilities, and it would be hard to find two men who feel more keenly the responsibility of their position. This has been proven during the past two years when they have been on the job night after night and week after week in working out the many details necessary to the proper operation of a new city.

They have done a grand job and we should re-elect Richard Morton and James Arends to office.

a newcomer to San Jose

The Davises, their two children, and Mrs. Davis' mother moved to California a few years ago. "And it didn't take long for us to see how much cheaper gas and electricity are out here," says Mrs. Davis. "We use them a lot for more pleasant living, and they give me enough free time to help my husband in his business."

How cheap gas and electricity served the Davises in a recent month

9 hours, electric ironer	. \$.28
150 hours of lighting	. . 1.40

**Local Writers
Have Poems In
Poetry Anthology**

THEY WRITE IT NIGHTS
AND TEACH IT DAYS
SO HIGH SCHOOL TEACHERS
POEMS WIN PRAISE.

Campbell high school teachers disprove the old maxim, "Those Who Can: Do; Those Whose Who Can't: Teach." Two local instructors recently were honored for their ability to write verse themselves as well as teach others how.

Miss Selma Schneider, teacher of sophomore English at CUHS, and Miss Patricia Kutzner, freshman Orientation instructor, fresh won fame by having their poems included in the 1954 National Poetry Anthology for Teachers and Librarians. And "selected" they were, for less than 500 manuscripts were selected out of over 8,000 submitted. Their work was submitted to the national association by Mrs. Dulcie Reynolds, another teacher of English at the local high school.

Both poems are reproduced below. Do they also sum up your convictions?

TO HUMOR

I thank all those with whom I've shared the quick Retort,
The quiet phrase with tongue in cheek,
The loud guffaw. For men today are sick with fear and grief,
And hope for peace is weak.
The merry child who greets me with a pun,
Or friend whose wit is earthy or demure,
To every kind of laughter I succumb
And know it helps to keep my world secure.
There is a healing balm and quiet rest

In humor. Thus I feel it may well be
That all of us who share a simple jest
Are bound in ties of immortality.
I need an altar where in solemn vow
I may declare my debt to humor now.

—Mrs. S. W. Schneider

TRADITION

My father was a lumberman.
He knew the woods and loved them well.
Not for him a city's parks
Or the geometry of orchards.
(Those have their beauty,
But who stands in awe of apple trees?)

And though he lumbered from a desk
And planted fruit trees in his yard,
The woods, the woods,
The tall, dark woods!—his heart was there.
Grandfather swung an ax
On Wisconsin's piney slopes,
His father taught him how.

And before him, and before him,
When Napoleon conquered,
Or Karl der Grosse,
Or maybe even Attila,
An ax was swung
As wood was chopped
And carried home
On peasant back
To peasant hut
On Prussian land,
By ancestors of mine.

Some point to coat of arms,
Our family tree framed in gilt,
Or speak of Mayflower passengers.
To live in a cabin instead of a house,
To have redwoods for shade
And madrone leaves for lawn
May seem eccentric to such as those,
How could they know
How good it feels
To cut wood?

—Miss Patricia Kutzner

**Woman's Club
To Present
'Library Tea'**

The Library Tea on Wednesday, March 31 is to be held in the Community Room of the Library, under the sponsorship of the Country Woman's Club.

As is well known to long time residents of Campbell, this club has as its primary responsibility for approximately fifty years, the establishment and upkeep of a library for the community.

From its beginning in the Congregational Church, through its housing in the Sutter building, then in the small edifice at the rear of the present location to the occupation of the present building, Country Woman's Club has steadily taken on the burden of providing a library for the town. When the County Library system was inaugurated, Campbell received many new books. The upkeep of the building, amounting to several thousand dollars a year, is met by rentals of the Community room, \$500.00 from the Community Chest, and the balance is made up by the Club.

Once a year the general public is invited to the Library Tea, and given an opportunity to contribute to the extras the library would not otherwise be able to obtain. Many magazine subscriptions, the librarians desk, and fine reference volumes are part of the additions provided by these teas. It is especially important that people who have recently moved to this vicinity attend the tea and be shown the library, as it is now their library and part of their town's cultural advantage.

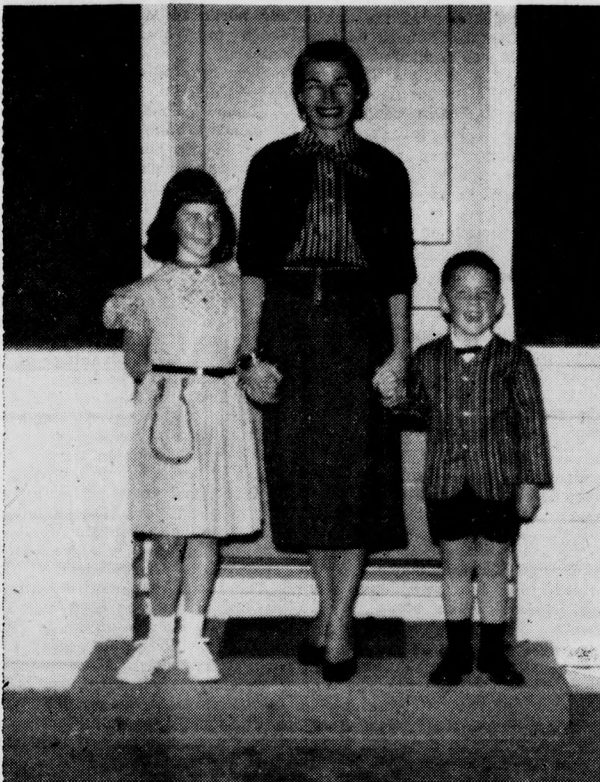

The program will begin at 2 p. m. Speaker of the afternoon will be A. P. Hamann, City Manager of San Jose, who will speak on "Conditions in Germany". Mr. Hamann recently returned from Germany where he was guest of the German government.

A delightful feature will be the soprano solos by Mrs. W. B. Moore, accompanied by her young daughter, Kay Jean, who incidentally, is the youngest pupil of the noted pianist, Adolph Baller of Palo Alto.

Pouring at the beautifully appointed tea table will be Mrs. W. C. Elkey, Club president, and Mrs. H. H. Singletary, County Librarian.

Mrs. E. I. Price, first Woman's Club president, will be introduced. The tea committee for the afternoon consists of Mrs. E. H. Hoerler, Mrs. Ricardo Villafuerte, Mrs. D. W. Clark, Mrs. Anthony Juras, Mrs. E. F. Whistler, and Mrs. G. C. Fickle.

Assisting are members of the standing Library Committee, Mesdames Ralph Hyde, E. R. Kennedy, W. E. Gould, and G. E. Farley.

PRE-EASTER FASHIONS will be featured next Thursday afternoon at St. Lucy's new Parish school on Kennedy avenue, showing styles for women, teen-agers and small boys and girls. Here is Mrs. E. A. Grossheider leaving her home at 640 Eldon Drive with her two children, Gay and Kurt, for rehearsals in the family range of styles. Clothes for the fashion show are to be furnished by the Dolly Ann Shop and Helen's Juvenile Shop in Campbell and jewelry is to be supplied by the What Not Shop. —Polaroid Photo

St. Lucy's Club Pre-Easter Show

Pre-Easter fashions will be the keynote of the delightful fashion show and dessert luncheon to be held April 1, at 2 p. m. in the parish school of St. Lucy's, under the sponsorship of St. Lucy's Women's Club.

Mrs. Deb Bihn, well known commentator, will describe the fashions as models promenade in styles for women, misses, and small girls and boys, with Dolly Ann and Helen's Juvenile Shop furnishing the fashions.

Settings and decorations for the Spring show will be arranged by

Mesdames Norman Corvello, Elmer Jones, and Joseph Levenberg.

Chairman of the affair, Mrs. Norman Corvello, and co-chairman, Mrs. Joseph Levenberg, will be assisted by sub-committees including Mrs. Richard Bowen, tickets; Mrs. Ambrose Metcalf, program; Mrs. John Kay, Mrs. Martin Walsh, and Mrs. Joseph Souto, hospitality; Mrs. Cel Gerevas, models; and refreshments, Mrs. Stephen Ridgely Sr., assisted by Mrs. Louis De Rose as co-chairman. Mrs. Fred Smith is in charge of publicity.

**Marian Gould Plays
Cello With Symphony**

Marian Gould of Campbell High School was a participant in the All-Cal High School Symphony held recently at the University of California, Santa Barbara College.

The symphony included musicians from more than 50 high schools in California. The purpose of the yearly event is to provide an opportunity for promising students to perform under well-known conductors and to increase their musical experience.

The young musicians arrived at Santa Barbara College three days prior to the concert and began their intensive rehearsals. Housing was arranged by Phi Beta, honorary music fraternity, for the students to stay in private homes.

Miss Gould, 280 W. Latimer, played the cello.

T. T. Cook, Jr., your Telephone District Manager for Campbell

Emergency power for your telephone

Once in a great while, because of storms or other emergencies, a telephone central office may be cut off from its usual source of electric power. But this doesn't interrupt telephone service. In your central office are special electric generators, run by gasoline or diesel engines. And they take over the job of charging the large storage batteries that supply the current to run the telephone system.

Planning ahead for emergencies is another way we make sure you have dependable, low-cost telephone service when you need it. Pacific Telephone works to make your telephone a bigger value every day.

**Coast-to-coast
calls cost only
\$2.50 plus tax**

Just think—you can call clear across the country—for just \$2.50 plus tax. This is the day station rate for the first 3 minutes. Calls over shorter distances—to Chicago, Salt Lake City, etc., cost less. Still lower rates apply for all calls on Sundays and after 6 p. m. on weekdays.

New Microwave Radio Relay Building

Construction of a new microwave radio relay building on Loma Prieta Mountain in the Santa Cruz Mountains begins in a few weeks. The new 12 by 18 foot building will house radio relay equipment to bring network television programs to Salinas television stations KSBW and Monterey television station KMBY.

The radio relay signals will be transmitted from Pacific Telephone headquarters building at 140 New Montgomery Street in San Francisco to Loma Prieta Mountain, then flashed to antenna atop the company's long distance building in Salinas. From there the signals will be relayed to the jointly operated TV transmitter of KSBW and KMBY.

The system is scheduled to be in operation by August of this year. The building may possibly be used at some future date to bring network television programs to the proposed new TV station at San Jose, if required.

Josox Officials Discuss Team At Cambrian Kiwanis

San Jose Red Sox manager John (Red) Marion, Business Manager Bob Freitas, Earl Russell, baseball announcers, Jerry Donovan, California League president were guests of Cambrian Kiwanis Club yesterday at their regular meeting.

Marion, who brought the club to second place position in the California league last year, wanted to correct the impression that designation of the club as Class C is not because of ability. Class designations, he said, are made according to the population of the area in which the club operates. He said he would match his last year's team, which won 18 games, against any class A club in the country.

Russell led the panel discussion in questions concerning the team's operation.

Freitas discussed the job of business manager and brought out that it cost \$48,000 to run the club over a period of four and one half months.

It was brought out in the discussion that the team will go to Santa Cruz April 5 where they undergo a three week training session before their ten game exhibition schedule.

Gus Messineo, of the Cambrian Kiwanis Club, was chairman of the day.

Little League Practice Games To Start April 24

Team members of Campbell area Little League Baseball teams will be chosen on performance at three practice games, set for April 24, May 1, and May 8, at the Campbell Elementary School baseball diamond, it was decided at a meeting of league officials Thursday night in the office of Laurance J. Hill, newly-elected president of the Campbell area league.

Ken Robison and Guy Toredson, vice-president and secretary of the league hope for two more sponsors to make up the four team Campbell section of the league.

Campbell Merchant Stamp Association and Western Gravel company are sponsoring teams this year, but two more are needed.

Berkeley Matthews, newly-elected publicity director for the league, said the 18 game schedule will start June fifth, with all games to be played on the Campbell Elementary School field.

Track Team Shapes Up At High School

Campbell High School's track team is said by Coach Junior Morgan to be coming along in good shape.

Sutterfield vaulted 11' 2" and Camilleri did 11' 1" in the varsity division. "Big Bill" put the shot 50' 5" and Fred Carrington did the hop-step-&-jump with 38' 4", he did the 200 yard dash in 21' 8". Olon Forrest high jumped 5' 8" to win the inter-class meet but his best height is 5' 10".

Gallego threw the discus 120 feet and Shig Niizawa put the shot 47' 7" in the "B" division.

From the "C" division there is Monty Nielson doing 16' 5" in the broad jump. Miller did the 140 yd. dash in 15' 4" and Max Kinsey has done 5' 2" in the high jump.

The "D" division is coming along with Boone clearing 5 feet in the high jump. Jim Nobles jumped 5' 10".

Cal Supply Is Top Adult League Team

California Supply is the top team in the Tuesday evening adult basketball league, conducted at Campbell Union High School. Out-come was decided Tuesday when Cal Supply defeated Avila's Market 51-46 in a see saw battle.

Avila's led by one point at the end of the first quarter and maintained it throughout the second. Half time score was 27-26 for Avila's Market.

Cal Supply tanked 14 points in the third period and 11 in the final frame while the market scored four points in the third and 15 in the last period.

Other teams which competed in the league this year were Campbell Hardware, Maderis Market, Murray's and Glen's Chevron Station.

Clams, Crabs, Salmon, Bass Fishing Good

Clamming, salmon trolling and crab fishing make up most of the fish stories this week, by Campbell sportsmen who traveled as far north as Moss Landing and south to Watsonville for limit catches.

Ever hear of crab fishing with a hook and line? "It beats a net all hollow", Richard Bibeau of 801 Hacienda avenue and Nathan Morgan of Santa Clara said Monday, following a successful trip to Moss Landing over the week end.

They used squid on a hook and line and netted 23 of the ichthyological delicacies, samples of which they promptly boiled and ate.

There was good clamming tide Sunday at Sunset Beach, Watsonville. Pete Cefalu of Campbell Sport Shop took advantage of it. Good catch, too. The limit.

Jim Dodge of Route 2, Box 737 Campbell, and his party, reported limit catches of Black Bass, using bombers, at Anderson Dam.

Also at Anderson, Bert Wood, J. J. Wood, and Owen Peterson, all of Campbell, used a combination of live bait and bombers, Sunday, for limits of Bass, weighing from two to three pounds each.

There are reports of salmon running strong out of San Francisco Bay. They seem to be little bitty ones, though, averaging five to eight pounds.

Cefalu says one of the best ways to nab them is by trolling with a Chrome Super Duper, one and three quarter ounce weight sardine harness.

Buc Tennismen Try Los Gatos

Bucannear tennismen, in fine fettle after a 4-1 victory over San Jose High School last week, hope to continue their winning ways when they tackle Los Gatos High School this afternoon at 3 p. m. on the opponent's courts.

Eric Protiva, Bob Stubbe, and Glen Miller will compete for Campbell in the singles matches. Coach Fred Gugat said he would chose his doubles teams just before competition.

Mr. LAURENCE SHAPER of North Carolyn avenue was installed secretary, and HAROLD ADAMS, chairman, of the Masonic Sojourners Association at the annual dinner Tuesday evening.

CAMPBELL HIGH HAS A NEW 'STEIN SONG' — A VICTORY MARCH LED BY ITS CAPABLE BASEBALL COACH

Baseball Teams Being Formed

Four hardball games have been scheduled for a Union Elementary School baseball team under the leadership of Berkeley Matthews. First game to be played at the Los Gatos field will pit the local lightweights against Burbank, Saturday, April 10. Thursday, April 25 the group plays Pala school here with a return engagement slated for May seventh at Pala. The following Saturday they play the Burbank Tigers.

A softball league between Union, Cambrian, Saratoga, and Moreland schools has also been formed with games to be played during the week. While a schedule has not been made up, according to B. Matthews of Union School, he said they may play tomorrow against Saratoga.

The tournament will be a round robin with home and home engagements slated.

Campbell High's "new look" baseball nine opens its season on the Los Gatos diamond today against the Wildcats. The so-called "experts" have already conceded the title to Fremont, with a few dissenters giving Lick, Mountain View and the Washington Huskies some chance of catching the Indians. In a year when the school has already taken first place in football, basketball, and wrestling, it is interesting to find the Buccaneers in an "also run" position. We think they'll prove a surprise to everyone in the Santa Clara Valley Athletic Conference.

This will be no surprise to new Buc coach, Mel Stein, who is as optimistic as he is energetic. Ever since he first met this year's varsity, he's been preaching what baseball men call "hustle", and it now appears as if the Bucs are catching on. Certainly Harvey Takaha is; though only a sophomore, he'll be worth watching at second base this year. Both first-string catchers Bob Sutton and Frank Archer are proving to be long ball hitters as well as solid backstops, and left-handed Jim Riley is a more than capable first-sacker.

Campbell was supposed to be weak on the mound, but here we find unexpected strength now. Moving Bob Sutton from third base onto the pitching rubber was a smart move, and Bert Nolan, one of last year's JV's is proving an equally capable replacement.

Of course the team's biggest handicap so far has been lack of practice time. Because of all the

rain it hasn't been possible to hold an intersquad game since the first week of practice. And with the conference race now on, there won't be too much time left for experimentation.

Stein wouldn't come right out on the limb and predict a "place club", but he did say,

"Who can predict high school ball anyhow? It's 75% pitching so that any team with an outstanding hurler has a good chance to win. Indications are that most teams in this year's SCVAL have at least one top flight hurler, hence no one school can sensibly be counted "out" in the pre-season dope. One other factor discourages pre-season predictions:— Our league schedule calls for each team to meet the other schools just once. Any team has a few bad days during the course of a season, and if one or two of these days happen to occur during league encounters, a team's chances—suffer. I would prefer seeing a double round robin league schedule adopted, in order to give a truer indication of the comparative strengths of all the teams in our league."

Campbell's SCVAL CONFERENCE games (all to be played on Thursdays) follow:
April 1, Fremont at Campbell
April 8, Live Oak at Campbell
April 22, Campbell at Mt. View
April 29, Campbell at Lick
May 6, Campbell at Washington
May 13, Santa Clara at Campbell

LIVE ANIMALS
ENLIVEN SCHOOL
CLUB PROGRAM

Live animals, a colored movie, and comments by Larry Moitzo, director of the Junior Museum at San Jose, highlighted the Cherry Lane Home and School Club program Tuesday evening at the school.

The program, aimed at creating interest among children and adults of the area in the work of the museum, a county project, was especially enjoyed by the children. Program was arranged by Mrs. Ralph C. Weymouth.

CAMPBELL
REGISTER

Mr. and Mrs. E. A. GARRISON left the home of their daughter, Mrs. OLETHA GRISWOLD, of 591 Kenneth avenue, Campbell for a two-week trip to visit Mrs. Griswold's grandmother, Mrs. OLETHA WALKER at Wichita, Kansas. Enroute, the Garrisons plan to purchase a 1954 Hardtop Buick convertible at the factory in Detroit.

The Garrisons left Tuesday morning by plane from San Francisco.

E. W. PARKS

First Baptist Church
To Conduct Revival
E. W. Parks, evangelist, will conduct a revival at the First Baptist Church, located at 81 North First Street, from March 28, to April 11, according to Rev. J. B. Bowen, pastor.
The 14 day revival conducted by "A Southern Baptist Preacher with the gospel message" will include besides sermons, church hymn singing, and fellowship programs.
Sermons begin each evening at 7:30, the pastor said, when the church choir sings the theme song, "Jesus Saves".

Congregational Church Notes

"The One Great Hour of Sharing" will be observed during the month of March as churches of many protestant denominations join in a yearly appeal for special offerings to aid the needy of many lands throughout the world.
The Campbell Congregational Church will observe their hour of sharing, Sunday, March 28, with Rev. Corwin H. Olds officiating.
Congregational Churches of the United States contributed 150,000 dollars during the drive last year.

Cambrian Men Set April 3rd For Auction

Members of the Cambrian Men's Club set Saturday, April 3 as the time for their auction sale of old furniture, tools, books, plumbing accessories and other materials. More items are needed to make it a success and contributors should contact Matt Helms FR 8-2872, Guy Gibbs FR 8 3280 or Wayne Huff FR 8-3669.

At a recent meeting two faculty members, Paul Lozar and DeForest Andrews presented "Lozar's Lovelies". These were girls attending Cambrian school. Jill Chambers, Cheryl Buller, Judy Anderson, Shirley Facchini, Eloise Olsen, Joyce Degenhardt, Jane Simmons, Diane Dodge, and Patsy Grubb entertained with songs and dances. Special numbers were offered by Jill Chambers who tap danced and by Patsy Grubb who sang and danced to "Mr. Tap Toe". A conservation film, "Water for the Valley" was also shown.

ST. LUCY'S CHURCH ADDS TWO MORE MASSES SUNDAY

Man Who Came To Dinner

HILARIOUS COMEDY OPENING TONIGHT AT HIGH SCHOOL AUDITORIUM

What director Ken Wallace has labeled the funniest Senior Play of all time with the greatest cast ever, "THE MAN WHO CAME TO DINNER", will be presented in the high school auditorium tonight and tomorrow night.

Previewed in Tuesday's assemblies at the school, it is crisp, fast-moving, and almost professionally acted. As the fabulous Sheridan Whiteside, Ray Mossholder was a delightful combination of earthiness and sardonic wit. Don Davis makes an incomparable Banjo, and Casey Clark as Bert Jefferson proves himself "enough to make a city girl forget about Broadway." But the real show-stealer will be Carolyn Tunstall as Whiteside's frustrated secretary, Maggie Cutler, who tells off the old coot in better language than Ed Murrow used last week against McCarthy. The supporting cast is equally strong. It is the largest group ever to grace a Campbell stage and still a team. The setting is such a beautiful job that everybody is asking Mrs. Winston where they can duplicate the wallpaper. Props include Whiteside's wheelchair which Mossholder swing about like Godfrey, a real TV camera, cockroaches, penguins direct from Antarctica, and a genuine mummy case.

Tickets are still available from any high school senior.

CYNICAL Ray Mossholder watches Don Davis carry Judy Lochlin upstairs in a more optimistic moment in this year's senior play, "The Man Who Came To Dinner" being presented this evening and tomorrow night in the High School auditorium.

San Tomas Follies Is Hilarious Hit In Saturday Show

Everything is ready for the San Tomas Follies, a variety show to be held in the school cafeteria on Saturday night. Sponsored by the PTA under general chairmanship of Mrs. Ray Snyder, the program will be emceed by Ebb Eohn, the "Cheery Farmer".

Mrs. Russell Conn is director of the variety program, highlight of which will be a men's can-can dance, with Ed Plat, Andre Pirvul, Ed Miller, George Orr, Donald Farmer, and Ed Tablak featured.

The skit, "The Shooting of Dan McGrew" will be portrayed by members of the faculty: Misses Phyllis Jones and Margaret Hutcheson, Mesdames Norma Lincoln, Mary Helen Morse, Betty Miescke, Patricia Mueller, and Dorothy Ingham, and Sam Cook, Jack Fischer, Mark Jennings, and Joaquin Miranda.

A barbershop quartet led by Mark Jennings and the "Three Beaux and a Belle" quartet, composed of Steven B. Anderson, Jim Cardellino, B. L. Bowden, and Mrs. Ed Tablak will present several selections. Principal Jack Fischer will appear as Fischerace, with Ed Miller will present a specialty act. The Jokers, square dance club, will give an exhibition, with Kenny Oburn as caller.

Cast of the skit, "Dr. Bedlam", will feature Mr. and Mrs. Bowden, Mr. and Mrs. Harold Noble, Mrs. Ray Snyder, Mrs. Paul E. Conn, Mrs. Andre Pirvul, and Ed Plat. Women's chorus line includes Mrs. Bowden, Mrs. Snyder, Mrs. Noble, Mrs. Paul Conn, and Mrs. R. H. Doume.

Committee Chairmen are: Mrs. B. A. Bowling and Mrs. Chirs Miller—refreshments; Mrs. Henry Duus and Mrs. Orr—tickets; Mrs. Joseph M. Orvis—decorations; Mrs. Russell Conn—variety show; Kenny Oburn—square dancing, and Mrs. Earl Wight—publicity.

Tickets are available at the door.

Campbell High PTA Has 700 Members

The Campbell High School P. T. A. will hold its next meeting, a P. T. A. dinner served by the secondary school cafeteria, on Wednesday evening April 7th. In general charge of this 8th meeting of the year of the parent-teachers' group is Bob Culp, high school woodshop teacher and president of the Faculty Club. Mrs. Marian Winston's art students will display work recently submitted to the Emporium Contest in San Francisco. Guest speaker will be Mrs. George Beanston, director of home service for the California Conference of P. T. A.

Last week new P. T. A. officers elected were: Mrs. Leonard Meritt, president; Mr. Kenneth Bitzer, first vice-president; Superintendent Laurance Hill, second vice-president; Mrs. Howard Keech, recording secretary; Mrs. Oliver Buehner, corresponding secretary; Mrs. Roy Stoner, financial secretary; George Kemp, auditor; Mrs. Frank Young, treasurer; Mrs. W. R. Morgan, parliamentarian; and Mrs. R. V. Hoover, historian. These new officers will serve from May, 1954 through May, 1955. The local P. T. A. now numbers over seven hundred.

Mrs. NORMA HOOVER hosted the "stork shower" honoring Mrs. ARTHUR BUSH at the Hoover residence on Elam avenue Tuesday morning. Twenty neighbors and friends attended, showering Mrs. Bush with gifts.

PETE VOSSLER ACQUITTED IN ACCIDENT TRIAL

Ray Pete Vossler was absolved by a 12-man jury, Tuesday at Los Gatos Justice Court, from all blame in a highway accident on December 5, in which Campbell officer Tom Casey was injured.

The jury deliberated for 95 minutes before reaching a verdict. The action was alleged failure to yield the right of way to other traffic.

Attorney Margaret Morton of the District Attorney's office was presiding judge. Campbell attorney Martin S. Walsh was attorney for the defense.

Officer Tom Casey and officer Clifton Shannon of the California Highway patrol, who was called to investigate the accident, were witnesses for the prosecution.

Jury was composed of 12 men, three from Campbell: James D. Edgemoth, Cecil Carr, and Paul Redlack—six from Los Gatos: Anthony Rodeo, Jack Simmons, Marvin Breeding, John Clark, Leslie Ollis, and Robert Booker—two from Saratoga: Flynt Ruddell, and Eugene Mancini, and one from Cupertino, Max Madsen.

Calvin Roll, Local Teacher, Named For State Work

Calvin Roll, 8th grade teacher at Campbell Union Elementary School has recently been appointed to the statewide Legislative Committee of the California Teachers Association.

During the state legislature's session in Sacramento, the C. T. A. committee studies all bills that affect public schools directly or indirectly, considering them from the standpoint of the welfare of the school system as a whole.

Recommendations for school legislation which it considers desirable and necessary are also made by the committee.

CARD PARTY SLATED

The Estelle Club is having a card party March 29 at 8 p. m. in Los Gatos Masonic Hall. Proceeds are slated for the building fund. Prizes will be awarded. Refreshments will be served.

Summer Plans For Recreation

A complete schedule of sports, music classes and playground activities for Campbell Union High School area summer recreation were mapped at a meeting Tuesday in the office of Laurance J. Hill, superintendent of the High School district.

Attending the meeting were recreation members, William C. Henley, superintendent of Campbell Elementary School District; Delos M. Bagby, superintendent of Cambrian School district; Mrs. Dorothy Sutter, principal of Quito School; Mrs. Virginia Lagiss, trustee of Moreland School district; Byron Dunn, Moorpark School; Norman Lillies, Cypress School; Kenneth McDonnell, Union School district superintendent, and Kenneth Robison, Summer Recreation director.

Leonard Scroggins will again coach swimming classes at the high school pool which start June 28 and end September 3. Classes will be divided into eight periods from 9 a. m. to 12:40 p. m. five days a week. As in the past buses will transport students from playground areas.

Jeanene Lathrop, girls' physical education instructor, will teach water ballet and rhythmic swimming. Adult classes will be held in the evening and a period will be set aside on Friday afternoons for competitive swim meets.

Bill Perry, line football coach at San Jose State will instruct life saving courses starting Saturday, April 24.

The summer music program will be directed by Paul Lozar, of Cambrian Elementary School faculty. Classes in strings, brass, woodwind, drums and orchestra and folk music will begin July 6 and continue through August 13, from 9 a. m. to 12 noon. Cost is \$15 for 30 lessons.

Ken Robison said registration forms for all swimming and music classes will be available April 13.

Cambrian Kids Put On Western Program At Meet

In calico dresses and blue jeans the sixth grade students presented a western program for the mothers at the latest Cambrian Home and School Club meeting.

With six guns smoking, they dramatized such novelty numbers as "Mule Train", "Buttons and Bows", "Cool Water", "What Good is a Gal Without a Man" and "Toothpickin' Time in False Teeth Valley".

The program was under the direction of Mrs. Jane Adams, music teacher and DeForest Andrews, sixth grade teacher.

The room mothers were appointed to act as a committee to serve dinner at the Country Auction, sponsored by the Men's Club.

The nominating committee appointed included Miss Carmel Le Malfa, Mrs. Rene Montreza, and Mrs. Douglas Norris.

The newly formed Band Mothers Club discussed the possibility of purchasing uniforms for the marching band.

After Mr. Delos Bagby, District Superintendent, discussed progress on new school construction, third grade mothers served refreshments.

Speaker for the next meeting, on April 7, will be Mrs. Sorenson, County Audiometrist.

ST. LUCY'S WOMEN'S CLUB WHIST PARTY NEXT FRIDAY HERE

St. Lucy's Women's Club is holding a whist party tomorrow afternoon in the library hall.

There are to be prizes and refreshments for the general public. Chairmen in charge of the affair include Mrs. Fred Smith, Mrs. Stephen Ridgely, Mrs. Richard Bowen and Mrs. B. Wetherby.

Lanphear Post And Auxiliary Elects Officers

Lt. Byron C. Lanphear Post and Auxiliary of the Veterans of Foreign Wars elected officers for the coming year at their last meeting Tuesday.

Richard Bernal was elected commander and Edith Smith was elected auxiliary president.

Mrs. George Keyes, of 1320 Sierra Way, San Jose, will be the installing officer in the coming ceremonies.

Those attending the last hospital party were Esther Sargeant, Milly Hill, Mrs. Fred Johnson, Bill McCurdy, Bill Phelan and Bud Lord.
